**AMENDMENT No. 1 (---/2021)**

**To**

**AIS-163 : Procedure for Type Approval of Special Purpose Vehicles (SPV's) for  
Compliance to Central Motor Vehicles Rules**

**1. Page 20/29, Annex 1, Clause 3.3.1**

Substitute following text for existing text:

3.3.1	Cash van, shall have <b>minimum</b> 2 independent compartments.	
-------	-----------------------------------------------------------------	--

**Justification:** For better clarity

**2. Page 20/29, Annex 1, Clause 3.3.3**

Delete Clause and renumber subsequent clauses.

**Justification:** Existing approved design does not have separate driver partition i.e. driver compartment is not separated. Considering safety, armed guard & driver to be in same compartment. Reference to G.S.R. 755(E) dated 8th Aug'18 released by Ministry of Home Affairs, separate cash compartment is the only requirement specified. There is no mention of separate driver compartment. Hence in line with G.S.R. 755(E) & current approved design, we would like to delete this clause.
